

# Purchasing Power is designed to Empower.

## Our Mission

We help members who are underserved by traditional financing options access life-enhancing products and services.

Members can purchase the items they need and affordably spread payments across 12 months to give them peace of mind and control over their finances. Our pricing is transparent with no hidden fees, no interest, no credit checks.

## Why We Do It

- To improve member financial well-being
- To empower people to take control of their lives
- To help organizations recruit and retain members

## The Financial Reality of Many Americans

56%

of US consumers do not qualify for prime credit, and 1 in 4 jobs in the US is low wage<sup>1</sup>

69%

of Americans do not have at least \$1,000 to cover an emergency.<sup>2</sup>

43%

of employees who are distracted by their finances spend 3 hours or more thinking about or dealing with issues related to their personal finances while at work<sup>3</sup>

25%

of employees are using credit cards for monthly necessities they can't afford otherwise<sup>3</sup>
